TRADEMARK TRIAL AND APPEAL BOARD

RELIANT HOSPITAL PARTNERS, LLC

Petitioner,

vs.

RELIANT MANAGEMENT GROUP, LLC

Registrant.

CANCELLATION NO. 92051514

MARK: RELIANT REHABILITATION

REGISTRATION NO. 3426134

CLASS: 44

SERVICES: Physical rehabilitation; Providing
physical rehabilitation facilities

REGISTERED: May 13, 2008

REGISTRANT'S 37 CFR § 2.117(a) NOTICE OF AMENDED FEDERAL COMPLAINT

Reliant Management Group, LLC ("Registrant/Complainant"), owner of Registration No. 3426134, for the service mark RELIANT REHABILITATION ("Mark"), appearing by and through the undersigned counsel, David W. Nance, hereby gives notice to this Board, pursuant to 37 CFR § 2.117(a), of its First Amended Complaint and first amended Certificate of Interested Persons, both relevant to the pending Motion to Suspend in the above-styled matter ("USPTO Cancellation Litigation").

On July 20, 2010, Registrant/Complainant filed a First Amended Complaint in the U.S. District Court for the Northern District of Texas (Dallas) under Civil Action No. 3:10-CV-122-B ("Federal Litigation") that nonsuited Reliant Surgery Center, Inc. d.b.a. Reliant Healthcare Partners, Inc. ("Reliant Healthcare Partners") and substituted Reliant Hospital Partners, LLC ("Petitioner/Defendant") asserting the following three claims arising from Petitioner/Defendant's unauthorized and illegal infringement of the Mark: (1) unfair competition under 15 U.S.C.A. § 1125(a), (2) service mark infringement under 15 U.S.C.A. § 1114(1), as well as (3) trade name and service mark infringement and unfair competition by defendant at Texas common law.¹

Reliant Healthcare Partners was initially selected as the proper defendant in the Federal Litigation as it was, until recently, identified as the employer of employees of Petitioner/Defendant and operator of the

¹ See federal Registrant/Complainant's First Amended Complaint and Certificate of Interested Persons attached hereto as Exhibits 1 and 2 respectively.

website maintained by Petitioner/Defendant at RELIANTHCP.COM, which appears to represent the words RELIANT HEALTHCARE PARTNERS.² Moreover, both Reliant Healthcare Partners and Petitioner/Defendant are operated by the same individual, Emmett E. Moore, who also serves as registered agent for both entities.³

The amended complaint was filed following an in-person meeting ordered by the district court that took place in Houston, Texas, on July 9, 2010, and was memorialized in a joint report finalized and filed with the district court on July 20, 2010. At the mandatory meeting, Reliant Healthcare Partners and Petitioner/Defendant, through their counsel of record in the USPTO Cancellation Litigation and the Federal Litigation, represented that, despite all evidence to the contrary, Reliant Healthcare Partners "was formed as a holding company to pursue a business venture that did not involve rehabilitation facilities or services. The business venture never got off the ground, and Reliant Surgery Centers, Inc. ceased operations in 2006."⁴ These same representations were made in the Opposition Brief recently filed by Petitioner/Defendant. Once the Federal Litigation enters the discovery phase, the obviously confusing facts regarding use by Petitioner/Defendant and Reliant Healthcare Partners of the Mark and any rights they could have to use their claimed mark RELIANT REHABILITATION HOSPITAL will be laid clear and adjudicated by the district court. Registrant/Complainant has reserved the right to rejoin Reliant Healthcare Partners to the Federal Litigation.

IN THE UNITED STATES DISTRICT COURT FOR THE
NORTHERN DISTRICT OF TEXAS

RELIANT MANAGEMENT
GROUP, LLC D.B.A. RELIANT
REHABILITATION and
RELIANT PRO REHAB, LLC
D.B.A. RELIANT
REHABILITATION

Plaintiffs,

v.

RELIANT HOSPITAL
PARTNERS, LLC

Defendant.

Civil Action No. 3:10-CV-122-B

FIRST AMENDED COMPLAINT

COUNT ONE

Plaintiffs complain against defendant and for a First Cause of Action allege:

1. This is an action for unfair competition and service mark infringement of plaintiffs' well-known name and mark RELIANT REHABILITATION. It arises under the laws of the United States, including the Federal Trademark Act of 1946, 15 U.S.C.A. §§ 1051 et seq. and the laws of the State of Texas relating to unfair competition and to trade name and service mark infringement. This court has jurisdiction over this action pursuant to 28 U.S.C.A. § 1338 and 15 U.S.C.A. § 1121, in that this is an action arising out of the Lanham Act, 15 U.S.C.A. §§ 1051 et seq. This court has supplemental jurisdiction over plaintiffs' state law trademark dilution claims pursuant to 28 U.S.C.A. § 1338(b), as those claims are joined with

a substantial and related claim under the Lanham Act.

2. This court has jurisdiction over the subject matter and the parties under 15 U.S.C.A. §§ 1121 and 1125(a) and (c), as well as the provisions of 28 U.S.C.A. §§ 1331(a); 1338(a) and (b).

3. Plaintiff Reliant Management Group, LLC (“Reliant”) is now and since May 25, 2004, has been a limited liability company organized and existing under the laws of the State of Louisiana, with its principal place of business in Baton Rouge, East Baton Rouge Parish, Louisiana.

4. Plaintiff Reliant Pro Rehab, LLC (“Reliant Pro”) is now and since August 22, 2007, has been a limited liability company organized and existing under the laws of the State of Texas, with its principal place of business in Plano, Collin County, Texas.

4. Defendant is now and, upon information and belief, was at all times mentioned in this complaint a limited liability company organized and existing under the laws of the State of Texas, with its principal place of business in Addison, Dallas County, Texas. Venue as to this defendant and as to each count in this complaint lies within this District, as provided by 28 U.S.C.A. § 1391(b) and (c).

5. As a complete and independent claim for relief, plaintiffs allege unfair competition by

defendant under 15 U.S.C.A. § 1125(a). This court has jurisdiction over the subject matters and the parties to this action under 28 U.S.C.A. §§ 1332(a), (c), and 1338(b).

6. Beginning at least November 1, 2003, with one of plaintiff Reliant's members and since 2004, plaintiff Reliant has used, and its related and affiliated company Reliant Pro has also used, and are using, the trade name and service mark RELIANT REHABILITATION in connection with the promotion, advertising, conduct, and expansion of their business, which includes providing turnkey rehabilitation facilities consisting of an entire rehabilitation department to hospitals for various types of rehabilitation.

7. Plaintiff Reliant is the owner of the United States Registration of its mark RELIANT REHABILITATION for Class 44 and has continuously used the mark shown in that registration for those services since 2003. This registration, No. 3426134, was first used on July 1, 2003, and first used in commerce on November 1, 2003, and plaintiff has continuously used and has not abandoned the mark RELIANT REHABILITATION for such services. The mark RELIANT REHABILITATION was published for opposition on February 26, 2008, and then added to the principal federal register on May 13, 2008.

8. By virtue of extensive and substantial advertising, promotion of its business, sales of goods, and rendition of substantial and widespread services under the trade name, trademark, and service mark RELIANT REHABILITATION, and because of plaintiffs' maintenance of high quality standards relating to such services, the name and mark have become widely

known by the public as indicating source or origin of services and goods in plaintiff and its related and affiliated companies.

9. Plaintiffs are informed and believe, and on such information and belief allege, that sometime in 2006 defendant adopted and commenced use of the name RELIANT REHABILITATION with the intention of competing unfairly with plaintiff. Defendant has misappropriated the name RELIANT REHABILITATION by using it in the business name of defendant, the name of multiple hospitals in Texas, and in advertising in the manner and form shown in Exhibit A, which is attached and incorporated by reference. Since adoption of the plaintiffs' trade name and service mark RELIANT REHABILITATION by defendant, confusion has arisen among the general public, potential business partners, potential patients and potential employees/contractors, and this confusion is likely to continue, as to the source, origin or sponsorship of defendant's rehabilitation services.

10. Plaintiffs are informed and believe, and on such information and belief allege, that defendant had actual knowledge of plaintiff's ownership of the trade name and service mark RELIANT REHABILITATION prior to the first adoption or use by defendant of such trade name and service mark.

11. Defendant has neither sought nor obtained permission of plaintiffs to use RELIANT REHABILITATION in connection with defendant's business.

12. The trade name and service mark RELIANT REHABILITATION, adopted by defendant for use in its business, incorporates distinguishing feature of plaintiff's trade name and service mark, and its use by defendant in its business is irreparably damaging plaintiffs.

13. Defendant's use of the designation RELIANT REHABILITATION in advertising and promoting its business in the manner complained of constitutes unfair competition with plaintiffs under 15 U.S.C.A. § 1125(a) and at common law. Such use of plaintiff's name and mark RELIANT REHABILITATION constitutes a false designation of origin or a false description or representation of the source of origin of defendant's businesses and services. Such use results in unfair competition with plaintiffs, in that persons are likely to be confused or misled into the belief, contrary to fact, that defendant's business and services are sponsored by or endorsed by or emanate from plaintiff or are otherwise connected with plaintiffs or its related and affiliated companies. Such use therefore causes irreparable damage and harm to plaintiffs and to their good will in their trade name and service mark.

COUNT TWO

14. Plaintiffs complain against defendant and for a Second Cause of Action allege:

As a complete and independent ground for relief, plaintiffs allege service mark infringement and under 15 U.S.C.A § 1114(1), and incorporates by reference Paragraphs 1 through 13 above.

15. This court has jurisdiction over the subject matter and the parties to this action under 15 U.S.C.A § 1116 and under 28 U.S.C.A. §§ 1331(a), and 1338(a).

16. Plaintiff Reliant is the owner of the United States Registration of its mark RELIANT REHABILITATION filed on August 27, 2007, published for opposition on February 26, 2008, and registered on May 13, 2008, under the number 3426134. This registration is *prima facie* evidence of its validity and substance and of plaintiff's ownership of the trade name and service mark. This registration is constructive notice of plaintiff's ownership, and is admissible as evidence in this action. A copy of this registration is attached as Exhibit B, and is incorporated by reference.

17. Plaintiff Reliant's registration is *prima facie* evidence of plaintiff's exclusive right to use the registered marks in connection with plaintiff's goods and services as provided by 15 U.S.C.A § 1115(a).

18. For a long period of time prior to the date on which defendant adopted and first used RELIANT REHABILITATION in the manner complained of, and at least as early as the respective dates shown in the registrations identified as Exhibit B, plaintiff Reliant and plaintiff Reliant Pro adopted and used the trade name and service mark RELIANT REHABILITATION in connection with the sale and advertising of their services.

19. Because of the substantial similarity between the manner in which defendant has used

RELIANT REHABILITATION in advertising its business and services, and the manner in which plaintiffs have used and are using their mark, and because plaintiffs' trade name and service mark has become well known to the public, defendant's use of the trade name and service mark RELIANT REHABILITATION is likely to cause confusion, mistake, or deception at common law and within the meaning of 15 U.S.C.A § 1114(1), thereby infringing plaintiffs' registered mark to plaintiffs' immediate and irreparable damage.

COUNT THREE

Plaintiffs complain against defendant and for a Third Cause of Action allege:

20. As a complete and independent ground for relief, plaintiffs allege trade name and service mark infringement and unfair competition by defendant at common law and incorporates by reference Paragraphs 1 through 19 above.

21. This court has jurisdiction over the subject matter and the parties to this action under 28 U.S.C.A § 1332(a) and 1338(b).

22. By virtue of both plaintiffs' long use, since at least 2003, of the name and mark RELIANT REHABILITATION in their business, and by virtue of widespread public recognition of the name and mark as indicating plaintiffs, plaintiff Reliant is the owner at common law of the name and mark RELIANT REHABILITATION in connection with

plaintiffs' business and the sale and promotion of their goods and services. Plaintiffs have established valuable good will in their trade name and service mark.

23. The designation RELIANT REHABILITATION, used by defendant as part of a trade name and/or as a service mark in advertising its business and services, so resembles plaintiffs' common-law trade name and service mark RELIANT REHABILITATION, which has become widely known by the public as indicating source or origin of plaintiffs' business and services, that it has caused and is likely to cause confusion, mistake, or deception. Such use has caused and is likely to cause persons to believe, contrary to fact, that defendant's business and the services sold or advertised by defendant under the designation RELIANT REHABILITATION originate with or are sponsored by or are in some way associated with plaintiffs, thereby infringing plaintiffs' trade name and service mark and causing plaintiffs irreparable damage and harm.

WHEREFORE, plaintiffs request:

1. Defendant, its affiliates, agents, servants, and employees, and all other persons and firms acting on behalf of or in active concert with defendant, be enjoined during the pendency of this action from using the trade name and service mark RELIANT REHABILITATION in connection with the promotion, advertising, conduct, and expansion of defendant's business or businesses, and in particular in connection with defendant's rehabilitation services as these are perceived by the plaintiffs' potential business partners, patients, employees, and contractors as well as the general public.

2. After final hearing of this matter, defendant, its affiliates, agents, servants, and employees, and all other persons and firms acting on behalf of or in active concert with defendant, be enjoined permanently from using the trade name and service mark RELIANT REHABILITATION, in connection with the promotion, advertising, conduct, and expansion of defendant's business or businesses, and in particular in connection with defendant's rehabilitation services.

3. All costs of suit be awarded to plaintiffs, including but not limited to reasonable attorney fees;

4. Recovery of full damages or statutory penalties if damages should prove too difficult to calculate, and

4. Such other and further relief be awarded plaintiffs as this honorable court deems just and proper.

Reliant Healthcare Leadership

We are a physician-partnered hospital company with a management team that has extensive experience in inpatient rehabilitation and healthcare operations. We are focused on developing and operating free-standing rehabilitation hospitals that offer excellent patient outcomes and outstanding patient satisfaction.

We achieve this goal by:

- Providing the highest level of medical care to **Patients**.
- Offering **Excellent Clinical Programs** designed to achieve the highest level of outcomes for our patients.
- Partnering with **Leading Physicians** and **Medical/Surgical Hospitals**.
- Working closely with **Payors** to achieve excellent clinical outcomes in a **Cost-effective Manner**.
- Attracting the most **Experienced** people in the industry.

Reliant Healthcare Partners has assembled an outstanding team of healthcare professionals who are well-respected in their field and are responsible for making each Reliant Rehabilitation Hospital successful.

[Read more](#)

Partnership Opportunities

Reliant currently has over 200 physician partners. We welcome physician participation because years of experience have taught us that the highest level of patient outcomes and satisfaction can only be achieved when physicians and hospitals work together, as partners, to harness the appropriate resources and services in caring for patients with physical rehabilitative needs.

We respect and appreciate our physician partners and work with them to provide excellent care for patients.

For Patients

- Home
- For Patients

Reliant understands the importance of both the emotional and physical aspects of recovery and is proud of the caring and supportive environment we offer during your stay with us. Our highly trained staff works under a physician's direction to provide an interdisciplinary treatment plan designed to specifically meet your needs.

Who is appropriate for Inpatient Rehabilitation Services?

You would be suited for inpatient rehabilitation services if you require the following:

- Close medical supervision by a physician with specialized training or experience in rehabilitation.
- Twenty-four hour rehabilitation nursing staff that provide specialized nursing care that supports the rehabilitation goals and treatment.
- Relatively intense rehabilitation services – three hours of therapy a day at least 5 days a week.
- Require therapy from at least two disciplines such as: occupational, physical and/or speech therapy.

Specialty Areas

Reliant is dedicated to providing the most advanced therapy techniques for all of our patients. Our commitment to providing the best care available is exemplified by the specialization and expertise behind the programs and services we offer:

Amputee Rehabilitation Program

We help patients and their families cope physically and psychologically with the loss of a limb due to trauma or surgery or a congenital limb deficiency. Our program offers the clinical, technical and professional resources to provide an individualized treatment plan. Our team works to restore mobility and confidence to those who have experienced the loss of a limb.

- Interdisciplinary approach to help patients regain the highest possible level of independence
- Close communication and follow-through with the referring vascular surgeon.
- Psychological and emotional support counseling

Patients can be admitted from a medical/surgical hospital or from home.

Stroke Rehabilitation Program

The Stroke Rehabilitation Program at Reliant Rehabilitation Hospital maximizes a patient's outcome by providing specialized medical management, therapy and nursing services in a hospital specifically design for rehabilitation. Intensive rehabilitation immediately following the stroke represents the patient's best chance for maximum recovery. Our Stroke Rehabilitation Program is designed to help patients adjust to any physical or mental challenges and return to independent living as soon as possible.

Some Features of our Stroke Rehabilitation Program include:

- Dysphagia treatment (Swallowing dysfunctions)
- Vital Stim
- Bowel and Bladder Management Program
- Bioness H200

Reliant Rehabilitation Hospital's Multiple Sclerosis Rehabilitation Program to the treatment and management of patients with Multiple Sclerosis (MS). Rehabilitation's goal is to restore lost function. This usually involves strengthening and retraining muscles as well as adapting to decreased function with new techniques. Rehabilitation is especially useful immediately after recovery from an exacerbation or acute attack of MS symptoms. Patients appropriate for inpatient treatment have usually experienced significant functional decline and may be admitted to this program following:

- Functional decline despite intensive home or outpatient services.
- An acute multiple sclerosis exacerbation-including a course of steroids if prescribed.
- Treatment for an unrelated medical/surgical problem.

Treatment may include:

- Lite Gait - body weight-supported treadmill training
- Functional Electrical Stimulation - Bioness H200 and Bioness L300

Spinal Cord Injury Rehabilitation Program

Reliant Rehabilitation Hospital provides spinal cord injured patients with the comprehensive medical care, intensive therapies, and support services they need to reach their maximum level of independence. Our team of experienced clinicians at Reliant Rehabilitation Hospital may include some or all of the following professionals dependent on the patient's individual needs:

- Neurologists
- Physiatrists
- Internists
- Neuropsychologists
- Certified Rehabilitation Registered Nurses
- Physical Therapists
- Occupational Therapists
- Speech and Language Pathologists
- Respiratory Therapists
- Case Managers
- Nutritionists
- Pharmacists

Reliant Rehabilitation Hospital's Spinal Cord Rehabilitation Program is designed to help individuals maximize their functional abilities so they can return to the community. Our team develops an individualized treatment plan for each patient. We also like to include the family in all aspects of care to ensure patient/family education, support and participation.

The Spinal Cord Rehabilitation Program components include:

- Lite Gait - body weight-supported treadmill training
- Activities of Daily Living Skills Training
- Community Re-Entry Program

-  Vocational Counseling
-  Educational Series
-  Patient/Family Counseling and Support
-  Comprehensive Outpatient Services

- [Leadership](#)

This experience of our senior management team combined with our passion for what we do has enabled us to create a company focused on trust, quality, ethics and relationships.

Trust

Embracing trust, we communicate and treat our patients and each other with dignity and respect.

Quality

Striving for continuous improvement and responding vigorously to change, we deliver care and service with excellence and experience.

Ethics

Adhering to the highest standards of ethical conduct, we act with integrity in all that we do.

Relationships

Building and sustaining strong relationships, we work with our patients, associates, physicians and our community to provide positive outcomes.

Our Senior Management Team:

Emmett E. Moore Chief Executive Officer

Emmett has over 30 years of experience in the healthcare industry. Prior to Reliant Healthcare Partners, Mr. Moore was the Executive Vice President and Chief Development Officer with Medical Care America, Inc. ("MCA"), which was one of the nation's largest surgery center companies. In addition, Emmett had previously served as the Chief Financial Officer at MCA. After completing the sale of MCA's 100 surgery centers to Hospital Corporation of America, ("HCA"), Emmett became the CEO of a physician practice management company, Physicians Resource Group, Inc. In this position, he also acquired or developed another 46 single-specialty eye centers. Additionally, he has spent years engaged in private consulting and investing related to the healthcare industry including surgery centers, healthcare services and physician groups.

Mr. Moore is a CPA and attorney and holds both a Juris Doctor in Law and a Masters in Accounting degrees from The University of Texas in Austin.

Chester Crouch Executive Vice President and Chief Operating Officer

Chester has over 15 years of leadership experience in both acute and post-acute settings. Mr. Crouch spent 8 years with the East Texas Medical Center healthcare system (15 hospitals) taking on progressive roles and assisting with the leadership of the Post-Acute Care Division that included a rehabilitation hospital, LTAC hospital, multiple outpatient centers and Sports Medicine and Wellness. Chester also spent 2 years as Assistant Chief Executive Officer with Health Management Associates (HMA) at a 176-bed acute care facility. Most recently, he was the CEO of a very successful HealthSouth rehabilitation hospital that was consistently ranked as a top-performing hospital achieving superior clinical outcomes and routinely exceeding growth and financial expectations.

Chester is a Certified Healthcare Executive with the American College of Healthcare Executives and holds an MBA degree from the University of Texas at Tyler and is also a licensed Physical Therapist.

Phil Parker Senior Vice President and Chief Information Officer

He has over 15 years of healthcare information technology leadership experience in multiple organizations including public and privately held companies and not-for-profit organizations. Prior to joining Reliant he was CIO at United Surgical Partners International. During his nine year tenure with USPI, he led IT strategy and operations in support of the company's growth from 8 to 160 surgical facilities. Before joining USPI he was Director of Information Services at United Dental Care, Inc., where he was responsible for development, deployment, and management of all business and financial systems. Mr. Parker earned a B.S. degree in Economics, and a Master of Business Administration degree, from the University of Texas at Arlington. He is a member of the Society for Information Systems Management.

Tracey Nixon

Vice President, Clinical Outcomes and Compliance

Tracey brings over 17 years of diverse experience in healthcare and rehabilitation to Reliant. She spent 11 years with HealthSouth serving in progressive roles of leadership including Director of Clinical Services, Administrator, Regional Director of Clinical Operations, and National Director of Clinical Services with responsibility for 100 HealthSouth hospitals. In these roles, she had a significant impact on clinical outcomes, operational efficiencies, and program development. Tracey most recently served as Executive Vice President/Chief Operating Officer at Sante Rehabilitation Group, a private company offering ambulatory outpatient and home health services. Under Tracey's leadership, Sante increased revenues by 30%, expanded new services and into new markets and improved clinical outcomes and bottom line performance of the organization. Tracey received her Masters in Science and Bachelors in Science degrees from Texas Christian University in Ft. Worth, Texas.

Tracey is also a licensed Speech Language Pathologist and has spent many years active in research and has published in many medical journals and texts.

Mary Alexander

Vice President, Regulatory Affairs

Mary has over 30 years of experience in the healthcare industry, primarily in the inpatient rehabilitation, ambulatory surgery, practice management, acute care, and hospice sectors. Mrs. Alexander has held various positions including Director of Surgery, Director of Quality/Risk Management, Area Director of Hospice, Regional Director of Practice Management, Director of Clinical Operations and Development of surgical hospitals, and most recently Director of Patient Care Services and Interim CEO of a very successful inpatient rehabilitation hospital. She has held positions with well known organizations such as Healthsouth, Vista Care, HCA, and Kelsey-Seybold Clinic. Mary's expertise and interest is reflected in her successful leadership of facilities in the areas of regulatory compliance, accreditation, quality improvement, and operational outcomes.

Mary is a Registered Nurse and holds a Masters degree in Healthcare Management from the University of Texas at Dallas. She is a Certified Professional in Healthcare Quality (CPHQ), serves on the Board of the North Texas Quality Association, and is a member of the National Association for Healthcare Quality.

Cindy Nelson

Vice President, Clinical Services

Cindy has over 32 years of experience working in the area of physical rehabilitation in Home Healthcare Services, Acute Care, Inpatient Rehabilitation Facilities, Skilled Nursing Services and Academia. Mrs. Nelson is a licensed Occupational Therapist and was most recently the Director of Clinical Services at a very successful HealthSouth Rehabilitation Hospital. While at HealthSouth, she managed both Inpatient and Outpatient Therapy Services with two outside clinics, Case Management, Respiratory Therapy, Radiology and an accredited Sleep Lab. Additionally, Cindy has held the position of Senior Staff or Chief Therapy positions at Oak Forest Hospital in Chicago, Washington Hospital Center in Washington D.C., Methodist Midtown Hospital in Omaha, and at the Palm Beach General Care Facility.

Cindy is a graduate of the University of Wisconsin, Madison and has gone on to teach at Howard University in Washington, D.C., Palm Beach Junior College, and Creighton University in Omaha.

Patricia Weigel

Vice President, Financial Services

Patricia has 31 years of healthcare experience. Most recently, Patricia spent the last 5 years as Chief Financial Officer of a HealthSouth hospital overseeing the business office, admissions, IT, HIM, and financial operations. Under her financial leadership, the facility maintained one of the highest performing financial and business office operations in the company. Mrs. Weigel also spent 6 years with Richardson Regional Medical Center as a Practice Administrator for their urgent care center, physician practices, and Senior Health Care facility.

April Maldonado **Vice President, Human Resources**

April has 11 years experience in the healthcare industry. April has held various positions in the Human Resources field with such well known organizations such as Healthsouth, Tenet, and Health Management Associates. Her areas of responsibility include human resource management services, organizational development, civil rights, employee and labor relations, compensation and benefits, workers compensation, training and career development, and employee programs.

Johnny Donnell **Vice President, Support Services**

With over 25 years experience in the healthcare industry, Johnny has held positions such as Director of Engineering for American Medical International (AMI) and Director of Integrated Services for Texas Health Resources (THR). He has an extensive background in new-project leadership and management, having successfully overseen both new and expanded construction for a large acute care facilities. For the past seven years, Johnny was a member of the executive team of HealthSouth Dallas where he was Director of Plant Operations and the hospital Safety Officer. A former sergeant in the US Army, Johnny worked four years as an electrical apprentice and successfully completed "Design for Development", a two-year hospital engineering course with Texas State Technical Institute (TSTI).

Tracy Penny **Regional Director of Marketing**

Tracy has over 20 years in the healthcare industry, working in critical care, inpatient and outpatient rehabilitation and hospital program, business and community development. She has been very successful in building new business through program and business development, securing customer loyalty and forging strong relationships and has over 11 years of rehabilitation marketing experience. Tracy has recently served on the boards of the American Lung Association, American Stroke Association, Texarkana College Education Planning committee, Northeast Trauma Regional Advisory Council, RAC-F Executive Board - Rehab seat and various other affiliations for more than 15 years.

Ellen Lytle **Executive Vice President, Business Development**

Ellen has over 20 years of experience in healthcare marketing and sales, managed care contracting, hospital development and physician practice management. Prior to joining Reliant Healthcare Partners, she was a Regional Director of Business Development for HealthSouth where she was responsible for the sales and marketing functions for 32 free-standing rehabilitation hospitals in the south and southwest. Prior to HealthSouth, she worked with HCA as the Vice-President of Marketing for a 500-bed facility and as the Regional Director of Marketing for 15 acute care hospitals in North Texas. Additionally, she served as the Regional Director of Network Development for a 120-member physician practice management organization.

Our mission is to work with the leading physicians in each community to build outstanding rehabilitation hospitals. Our physician partners work with us on site selection, determining the facility size and services offered and helping us to identify other physician partners. Our goal is to empower physicians to provide the best rehabilitative care to their patients.

As our hospitals become operational, our physician partners as well as other physicians practicing at the facility work together with Reliant to help select the hospital's management team, develop clinical care protocols and serve as Advisory Board members.

Our patient focused, physician-partnered approach allows Reliant to become the leading provider of rehabilitation care in the communities we serve. We believe that by working together, we can provide exceptional patient care and generate acceptable financial returns for our physician partners.

If you are interested in hearing more about Reliant Healthcare Partners' partnership opportunities, please call us at 972-308-8518 or email us at elytle@relianthcp.com.

Privacy Policy

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED

This Notice of Privacy Practices describes how we may use and disclose your Protected Health Information to carry out treatment, payment or healthcare operations, and for other purposes that are permitted or required by law. It also describes your rights to access and control your Protected Health Information. "Protected Health Information" is information about you, including demographic information that may identify you and that relates to your past, present, or future physical or mental health or condition and related healthcare services.

We understand that medical information about you and your health is personal. We are committed to protecting medical information about you and we are required to abide by the terms of this Notice of Privacy Practices.

TREATMENT: We may use Protected Health Information about you to provide you with medical treatment or services. When required, we will obtain your authorization before disclosing any of your information. Only the minimal amount of information will be revealed during any disclosures.

PAYMENT: Your Protected Health Information will be used, as needed, to obtain payment of your healthcare services. This may include certain activities that your health insurance plan may undertake before it approves or pays for the healthcare services we recommend for you such as: making a determination of eligibility or coverage for insurance benefits, reviewing services provided to you for medical necessity, and undertaking utilization review activities.

HEALTHCARE OPERATIONS: We may use or disclose as needed, your Protected Health Information in order to support the business activities of your healthcare provider and Reliant. Whenever an arrangement between our facility and a business associated involves the use or disclosure of your Protected Health Information, we will have a written contract that contains terms that will protect the privacy of your Protected Health Information.

OTHER PERMITTED AND REQUIRED USES AND DISCLOSURES THAT MAY BE MADE WITH YOUR AUTHORIZATION, OR OPPORTUNITY TO

OBJECT: You have the opportunity to agree or object to the use or disclosure of all or part of your Protected Health Information. If you are not present or able to agree or object to the use or disclosure of the Protected Health Information, then your healthcare provider may, using professional judgment, determine whether the disclosure is in your best interest. In this case, only the Protected Health Information that is relevant to your healthcare will be disclosed.

OTHERS INVOLVED IN YOUR HEALTHCARE: Unless you object, we may disclose to a member of your family, a relative, a close friend or any other person you identify, your Protected Health Information that directly relates to that person's involvement in your healthcare. If you are unable to agree or object to such a disclosure, we may disclose such information as necessary if we determine that it is in your best interest based on our professional judgment. We may use or disclose your Protected Health Information to an authorized public or private entity to assist in disaster relief efforts.

OTHER PERMITTED AND REQUIRED USES AND DISCLOSURES THAT MAY BE MADE WITHOUT YOUR AUTHORIZATION OR OPPORTUNITY TO

OBJECT: We may use or disclose your Protected Health Information without your authorization in the following situations:

- **REQUIRED BY LAW:** We may use or disclose your Protected Health Information to the extent that the use or disclosure is required by law. The use or disclosure will be made in compliance with the law and will be limited to the relevant requirements of the law. You will be notified, as required by law, of any such uses or disclosures.
- **PUBLIC HEALTH:** We may disclose your Protected Health Information for public health activities and purposes to a public health authority that is permitted by law to collect or receive the information.
- **COMMUNICABLE DISEASES:** We may disclose your Protected Health Information, if authorized by law, to a person who may have been exposed to a communicable disease or may otherwise be at risk of contracting or spreading the disease or condition.
- **HEALTH OVERSIGHT:** We may disclose Protected Health Information to a health oversight agency for activities authorized by law, such as audits, investigations and inspections.
- **ABUSE OR NEGLECT:** We may disclose your Protected Health Information to the governmental entity or agency authorized to receive such information if we believe that you have been a victim of abuse, neglect or domestic violence. In this case, the disclosure will be made consistent with the requirements of applicable federal and state laws.
- **FOOD AND DRUG ADMINISTRATION:** We may disclose your Protected Health Information to a person or company required by the Food and Drug Administration to report adverse events, product defects, or problems.
- **LEGAL PROCEEDINGS:** We may disclose Protected Health Information in the course of any judicial or administrative proceeding, in response to an order of a court or administrative tribunal (to the extent such disclosure is expressly authorized, in certain conditions) in response to a subpoena, discovery request or other lawful process.
- **LAW ENFORCEMENT:** We may disclose Protected Health Information so long as applicable legal requirements are met, for law enforcement purposes.
- **CORONERS, FUNERAL DIRECTORS AND ORGAN DONATION:** We may disclose Protected Health Information to a coroner or medical examiner for

identification purposes, determining cause of death or for the coroner or medical examiner to perform other duties authorized by law, to funeral directors and for organ donation information.

- **RESEARCH:** We may disclose your Protected Health Information to researchers when their research has been approved by an institutional review board that has reviewed the research proposal and established protocols to ensure the privacy of your Protected Health Information.
- **CRIMINAL ACTIVITY:** Consistent with applicable federal and state laws, we may disclose your Protected Health Information if we believe that the use or disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public.
- **MILITARY ACTIVITY AND NATIONAL SECURITY:** When the appropriate conditions apply, we may use or disclose Protected Health Information of individuals who are Armed Forces personnel (1) for activities deemed necessary by appropriate military command authorities (2) for the purpose of a determination by the Department of Veterans Affairs of eligibility for benefits or (3) to foreign military services. We may also disclose your Protected Health Information to authorized federal officials for conducting national security and intelligence activities, including for the provision of protective services to the president or others legally authorized.
- **WORKERS' COMPENSATION:** Your Protected Health Information may be disclosed by us as authorized to comply with workers' compensation laws and other similar legally established programs.
- **REQUIRED USES AND DISCLOSURES:** Under the law, we must make disclosures to you, and when required by the Secretary of the Department of Health and Human Services as required by the Privacy of Individually Identifiable Health Information.

YOUR RIGHTS

You have the right to inspect and copy your Protected Health Information. This means you may inspect and obtain a copy of Protected Health Information about you for as long as we maintain the Protected Health Information. Under federal law, however, you may not inspect or copy the following records: psychotherapy notes; information compiled in reasonable anticipation of, or use in, a civil, criminal or administrative action or proceeding; and protected health information that is subject to law that prohibits access to Protected Health Information.

You have the right to request a restriction of your Protected Health Information. This means you may ask us not to use or disclose any part of your Protected Health Information for the purposes of treatment, payment or healthcare operations. In addition, you may request that any part of your Protected Health Information not be disclosed to family members or friends who may be involved in your care, or for notification purposes as described in the Notice of Privacy Practices. Your request must state the specific restriction requested and to whom you want the restriction to apply.

COMPLAINTS

You may file a complaint with us by notifying our Privacy Officer, with the Secretary of Health and Human Services, or with the Office of Civil Rights if you believe we have violated your privacy rights. No action will be taken against you for filing a complaint.

DISCLAIMER AND SIGNATURE

If employed by Reliant and in consideration thereof, I understand that:

- 1. I certify that the answers given by me to the foregoing questions and statements on the employment application and or during the employment interview process are true and correct without any material omissions of any kind whatsoever. I understand that any misleading or incorrect statements may render this application void and, if employed, would be cause for my termination. I further agree that Reliant shall not be liable in any respect if my employment is terminated because of falsity of statements, answers or omissions made by me in this application.**
- 2. I authorize the companies, schools, persons or entities given during the employment process or on this employment application as references or past employers or affiliations to give any information regarding my employment, character, qualifications, certifications and licenses and hereby release said companies, schools, persons or entities from all liability for any damage for issuing this information.**
- 3. My signature below certifies that if I am extended an offer of employment by Reliant, my employment is contingent upon satisfactory completion of a drug test and submission of proof that I have the credentials and licenses necessary for the position offered.**
- 4. If employed by Reliant, I understand my employment may be terminated at any time, with or without cause or notice and for any reason by me or Reliant. Nothing in this application, or in any oral or written statement provided to me by Reliant will limit these rights to terminate my employment at will and no one will have the right to change this at will relationship unless such change is in writing, signed by an authorized representative of Reliant.**
- 5. My employment shall be in accordance with the terms of this application, all safety and incident reporting rules, all health care industry compliance program requirements, including adherence to the rules, regulations, policies and procedures currently or hereafter in effect.**
- 6. I understand this application is valid only for the position I have applied for at present and Reliant is not obligated to retain or consider this application for future openings.**

Reliant Hospital Partners and Healthcare Leadership

We are a physician-partnered hospital company with a management team that has extensive experience in inpatient rehabilitation and healthcare operations. We are focused on developing and operating free-standing rehabilitation hospitals that offer excellent patient outcomes and outstanding patient satisfaction.

We achieve this goal by:

- Providing the highest level of medical care to **Patients**.
- Offering **Excellent Clinical Programs** designed to achieve the highest level of outcomes for our patients.
- Partnering with **Leading Physicians** and **Medical/Surgical Hospitals**.
- Working closely with **Payors** to achieve excellent clinical outcomes in a **Cost-effective Manner**.
- Attracting the most **Experienced** people in the industry.

Reliant Hospital Partners has assembled an outstanding team of healthcare professionals who are well-respected in their field and are responsible for making each Reliant Rehabilitation Hospital successful.

[Read more](#)

Partnership Opportunities

Reliant currently has over 200 physician partners. We welcome physician participation because years of experience have taught us that the highest level of patient outcomes and satisfaction can only be achieved when physicians and hospitals work together, as partners, to harness the appropriate resources and services in caring for patients with physical rehabilitative needs.

We respect and appreciate our physician partners and work with them to provide excellent care for patients.

Our all-inclusive rehabilitation hospitals offer a complete spectrum of adult focused treatment programs in order to assist you in regaining your functional independence following a major illness, trauma or surgery.

Reliant understands the importance of both the emotional and physical aspects of recovery and is proud of the caring and supportive environment we offer during your stay with us. Our dedicated team, led by a medical director credentialed in Physical Medicine and Rehabilitation will provide an interdisciplinary treatment plan designed to specifically meet your needs.

Who is appropriate for Inpatient Rehabilitation Services?

You would be best suited for inpatient rehabilitation services if you require the following:

- Relatively intense rehabilitation services- 3 hours of therapy a day at least 5 days a week
- Require therapy from a multidisciplinary team consisting of at least 2 therapies (i.e., occupational, physical and/or speech therapy).
- Twenty-four hour rehabilitation nursing that supports the rehabilitation goals and provides specialized nursing care.
- Close medical supervision by a physician with specialized training in rehabilitation.

The Rehabilitation Team

Our staff is carefully selected to ensure they possess the caring attitude that meets Reliant's customer service expectations. All employees complete customer service training to gain our patients' trust and loyalty.

- **Case Management-** A case manager will work with you and your family to make sure your discharge from our hospital is well coordinated and any continuing care needs you might have following discharge are met. In addition, they will keep you informed of the interdisciplinary team's treatment goals and any medical or equipment needs you might have.
- **Occupational Therapy-** Occupational Therapists will assist you with maximizing your independence with activities of daily living such as: dressing, bathing, grooming, eating and functional activities in the home and community
- **Physical Therapy-** Physical Therapists will work with you to improve your mobility and strength in order to increase your functional independence with walking, getting in and out of your bed and/or chairs, and improving your balance.
- **Physician-** Your primary physician will be a specialist in physical medicine and rehabilitation. They lead the rehabilitation team and oversee your program in order to ensure that you are able to become as independent as possible.
- **Rehabilitation Nursing-** Our nurses will assist with your medical needs as well as assisting you with skills you are working on in therapy such as: personal hygiene, mobility, self-care and communication. They are there to assist you 24 hours a day, seven days a week.
- **Speech Pathology-** Speech Language Pathologists will help you improve all areas of communication- speaking, comprehension/understanding speech, writing and reading. In addition, they can assist in addressing any problems with swallowing function.

What makes Reliant special?

- Care begins for you even before you arrive at Reliant. Specially trained professionals carefully evaluated your ability to succeed with inpatient rehabilitation while you are still in acute care or at home. We are able to answer questions and help prepare you for admittance to the inpatient rehabilitation hospital.
- Our hospital incorporates the comforts of home including a common area for meals, activities and socialization. Our rooms are all private and equipped with wireless internet access. Our hospitals are a cheerful, open, spacious, restraint-free environment where you will recover and improve.

- Reliant offers excellent patient to nurse and therapist ratios resulting in better outcomes.
- We understand the importance of family as part of your recovery team.
- Cutting edge clinical delivery of services.
- Quality patient care monitored by 3rd party patient satisfaction surveys and nationally benchmarked outcome analysis and program evaluations.
- The same team cares for you throughout your stay- guaranteeing the highest level of personal attention.
- Continuum of care to facilitate your recovery- Home assessments to assist with discharge planning, Outpatient services, community resources
- Experienced discharge planners assist you in making arrangements for a smooth transition back to home.

Specialty Areas

Specialty Programs

Reliant offers therapy programs that represent a combination of experience, expertise, and technology that creates a comprehensive and focused vision of rehabilitation.

Amputee	Burns
Aquatics	Congenital Deformity
Arthritis	Incontinence/Pelvic Floor dysfunction
Back	Parkinson Therapy
Brain Injury	Swallowing Dysfunction
Cardiovascular	Post Cardiac Surgery
Fall Prevention	Post General Surgery
Injury Prevention	Wound care
Multiple Trauma	Multiple Sclerosis
Neurological Disorders	General Rehabilitation
Orthopedic Injury/Surgery	Vestibular / Balance
Pain Management	Work Conditioning
Pulmonary	Sports Medicine
Spinal Cord Injury	Spasticity Management
Stroke	Women's Health

Specialty Equipment

Reliant's state of the art equipment allows rehabilitation to begin sooner, utilizing task specific functional exercise without the pain. Progressive exercise is the key for a rapid recovery.

VitalStim® is the only dysphagia (swallowing dysfunctions) therapy backed by compelling clinical data and cleared by the Food and Drug Administration (FDA). VitalStim therapy uses small electrical currents to stimulate the muscles responsible for swallowing.

Bioness H200® is a neuroprosthetic system that helps patients with upper-limb paralysis regain hand control. The H200 surrounds a patient's hand and forearm for proper limb positioning. Five surface electrodes integrated into the H200 stimulate and activate the hand. The H200 can improve hand and arm performance with activities of daily living and assist in a greater feeling of independence.

Bioness L300® is a functional electrical stimulation system designed to help patients with neurological disorders affecting the lower extremities. Its purpose is to stimulate muscle re-education, prevent atrophy and promote a more natural walking pattern. It facilitates a quicker stride with improved steadiness and confidence with return to a more normal lifestyle.

Lite Gait®, help client's regain a more normal walking pattern after lower extremity paralysis or weakness from a stroke, brain injury or spinal cord injury. The harness suspension supports as much body weight as needed to allow the legs to move in a walking pattern without fear of falling. The client's physical therapist can start them at a very slow speed on the treadmill while helping them to move their legs correctly. As they get stronger the LITE GAIT® device can provide assistance as they move from treadmill walking to walking across the ground.

- Obtain supported suspension for safer, more effective gait training as well as moving from sit to stand
- Achieve controlled reduction of weight bearing load
- Increase or decrease the weight bearing load on the weaker side of the body
- Learn to walk with proper upright posture
- Use an assistive device while being supported over ground
- Begin gait training much earlier in the rehabilitation process, and at a lower level of function
- Have improved interaction with the therapist
- Experience a sense of accomplishment by successfully completing therapy sessions

Wii® is used to improve balance, endurance and coordination of movement while participating in a simulated activity on a television screen. It is both fun and challenging. The Wii can be used with patients in a wheelchair or in a standing position. The activity can help develop the skills needed to return to the patient's own desired leisure activity, hobby

or sport.

Biodex Balance System is used to assess the physical risks of falling through a series of tests. Normal balance is controlled by a complex combination of visual, muscular and neurologic systems. Together, these factors keep us from falling when we encounter an unexpected disturbance. Testing and the use of this device will improve an individual's ability to remain upright under challenging conditions.

- Balance training includes proprioceptive and stabilization exercise, range of motion and weight shift exercises
- Objective documentation with printed color reports that track progress and document outcomes
- Stores data and maintains patient records to track progress

Computerized Augmentative Communication/Cognitive Software assists in the rehabilitation and re-learning of communication, memory, problem solving and reasoning skills related to aphasia.

Bariatric Equipment Reliant respects the fact that the human population is growing larger. Obesity is the cause of many health problems. It is essential to have equipment to assist patients to become mobile. Bariatric beds, chairs, bathroom safety equipment, ambulatory devices, standing frames, tilt tables and other special equipment serve patients over 300 pounds. We have specialized rooms available to allow safe mobility for these patients and equipment to meet their needs.

Treatment

We are dedicated to providing the most advanced therapy techniques with the best outcomes for all of our patients.

- Activities of Daily Living Skills Training
- Adaptive techniques & equipment training
- Aerobic / physical fitness training
- Animal Assisted Pet Therapy

This experience of our senior management team combined with our passion for what we do has enabled us to create a company focused on trust, quality, ethics and relationships.

Trust

Embracing trust, we communicate and treat our patients and each other with dignity and respect.

Quality

Striving for continuous improvement and responding vigorously to change, we deliver care and service with excellence and experience.

Ethics

Adhering to the highest standards of ethical conduct, we act with integrity in all that we do.

Relationships

Building and sustaining strong relationships, we work with our patients, associates, physicians and our community to provide positive outcomes.

Our Senior Management Team:

Emmett E. Moore

Chief Executive Officer

Emmett has over 30 years of experience in the healthcare industry. Prior to Reliant Healthcare Partners, Mr. Moore was the Executive Vice President and Chief Development Officer with Medical Care America, Inc. ("MCA"), which was one of the nation's largest surgery center companies. In addition, Emmett had previously served as the Chief Financial Officer at MCA. After completing the sale of MCA's 100 surgery centers to Hospital Corporation of America, ("HCA"), Emmett became the CEO of a physician practice management company, Physicians Resource Group, Inc. In this position, he also acquired or developed another 46 single-specialty eye centers. Additionally, he has spent years engaged in private consulting and investing related to the healthcare industry including surgery centers, healthcare services and physician groups.

Mr. Moore is a CPA and attorney and holds both a Juris Doctor in Law and a Masters in Accounting degrees from The University of Texas in Austin.

Ellen Lytle

Executive Vice President, Business Development

Ellen has over 20 years of experience in healthcare marketing and sales, managed care contracting, hospital development and physician practice management. Prior to joining Reliant Healthcare Partners, she was a Regional Director of Business Development for HealthSouth where she was responsible for the sales and marketing functions for 32 free-standing rehabilitation hospitals in the south and southwest. Prior to HealthSouth, she worked with HCA as the Vice-President of Marketing for a 500-bed facility and as the Regional Director of Marketing for 15 acute care hospitals in North Texas. Additionally, she served as the Regional Director of Network Development for a 120-member physician practice management organization.

Chester Crouch

Executive Vice President and Chief Operating Officer

Chester has over 15 years of leadership experience in both acute and post-acute settings. Mr. Crouch spent 8 years with the East Texas Medical Center healthcare system (15 hospitals) taking on progressive roles and assisting with the leadership of the Post-Acute Care Division that included a rehabilitation hospital, LTAC hospital, multiple outpatient centers and Sports Medicine and Wellness. Chester also spent 2 years as Assistant Chief Executive Officer with Health Management Associates (HMA) at a 176-bed acute care facility. Most recently, he was the CEO of a very successful HealthSouth rehabilitation hospital that was consistently ranked as a top-performing hospital achieving superior clinical outcomes and routinely exceeding growth and financial expectations.

Chester is a Certified Healthcare Executive with the American College of Healthcare Executives and holds an MBA degree from the University of Texas at Tyler and is also a licensed Physical Therapist.

Phil Parker

Senior Vice President and Chief Information Officer

He has over 15 years of healthcare information technology leadership experience in multiple organizations including public and privately held companies and not-for-profit organizations. Prior to joining Reliant he was CIO at United Surgical Partners International. During his nine year tenure with USPI, he led IT strategy and operations in support of the company's growth from 8 to 160 surgical facilities. Before joining USPI he was Director of Information Services at United Dental Care, Inc., where he was responsible for development, deployment, and management of all business and financial systems. Mr. Parker earned a B.S. degree in Economics, and a Master of Business Administration degree, from the University of Texas at Arlington. He is a member of the Society for Information Systems Management.

Rod Abels

Senior vice President and Chief Financial Officer

Prior to joining Reliant, Rod spent over 30 years in public accounting and was a partner with KPMG, LLP for 16 years. His practice included both private and public companies and was primarily a transaction based practice which included mergers, acquisitions and strategic financial alternatives.

Mr. Abels is a CPA and holds a Master of Business Administration degree from the University of Texas at Dallas.

Don H. Pace

Senior Vice President and General Counsel

Don spent 28 years as a partner with the international law firm of Baker Hostetler and has a strong background in business and legal matters. After leaving the practice of law, Don joined a leverage buyout firm in New York, New York where he was involved in many acquisitions. Don left that firm to do his own leverage buyout and was a successful builder of companies. As an attorney with Baker & Hostetler, his clients included the NFL and extensive negotiations with owners of NFL teams. His other clients included E.W. Scripps, S.I. Newhouse, NY Times and other media clients. Don's levered buyout was a small insurance company in Tucson, AZ. Using a \$27 million leveraged buyout financing Don built it from \$18 million in net premiums written to \$200 million in net premiums written in five years and took the company public after only 3 years.

Mr. Pace earned his JD degree from Case Western Reserve University in 1964 and his BS degree in Accounting and Economics from Florida State University in 1961.

Tracey Nixon

Vice President, Legislative Affairs, Chief Compliance Officer

Tracey brings over 18 years of diverse experience in healthcare and rehabilitation to Reliant. She spent 12 years with HealthSouth serving in progressive roles of leadership including Director of Clinical Services, CEO, Regional Director of Clinical Operations, and National Director of Clinical Operations with responsibility for 100 HealthSouth hospitals. In these roles, she had a significant impact on clinical outcomes, operational efficiencies, and program development. Tracey most recently served as Executive Vice President/Chief Operating Officer at Sante Rehabilitation Group, a private company offering ambulatory outpatient and home health services.

Tracey received her Masters in Science and Bachelors in Science degrees from Texas Christian University in Ft. Worth, Texas. Tracey is also a licensed Speech Language Pathologist and has spent many years active in research and has published in many medical journals and texts.

Cindy Nelson

Vice President, Clinical Services

Cindy has over 32 years of experience working in the area of physical rehabilitation in Home Healthcare Services, Acute Care, Inpatient Rehabilitation Facilities, Skilled Nursing Services and Academia. Mrs. Nelson is a licensed Occupational Therapist and was most recently the Director of Clinical Services at a very successful HealthSouth Rehabilitation Hospital. While at HealthSouth, she managed both Inpatient and Outpatient Therapy Services with two outside clinics, Case Management, Respiratory Therapy, Radiology and an accredited Sleep Lab. Additionally, Cindy has held the position of Senior Staff or Chief Therapy positions at Oak Forest Hospital in Chicago, Washington Hospital Center in Washington D.C., Methodist Midtown Hospital in Omaha, and at the Palm Beach General Care Facility.

Cindy is a graduate of the University of Wisconsin, Madison and has gone on to teach at Howard University in

Washington, D.C., Palm Beach Junior College, and Creighton University in Omaha.

Jeff Crawford

Vice President, Business Development

Jeff has 10 years of experience in business development and marketing of Inpatient Rehabilitation and LTAC services in the greater Houston market. The last 2 years have been spent in new hospital development in the Houston area and south Texas. He has been very successful in new business, project development and partner recruiting for Reliant Healthcare Partners.

Randy Penny

Vice President, Business Development

With over 15 years experience in the healthcare industry as a Registered Nurse, Randy has been successful in business development, physician syndication, marketing as the senior liaison and case manager. During his career he also served as Director of Nurses for VNA in Northeast Texas. Randy has also owned and operated an independent brokerage office where he sold securities, insurance and annuities. He currently maintains a Series 7 securities license.

Johnny Donnell

Vice President, Support Services

With over 25 years experience in the healthcare industry, Johnny has held positions such as Director of Engineering for American Medical International (AMI) and Director of Integrated Services for Texas Health Resources (THR). He has an extensive background in new-project leadership and management, having successfully overseen both new and expanded construction for large acute care facilities. For the past seven years, Johnny was a member of the executive team of HealthSouth Dallas where he was Director of Plant Operations and the hospital Safety Officer. A former sergeant in the US Army, Johnny worked four years as an electrical apprentice and successfully completed "Design for Development", a two-year hospital engineering course with Texas State Technical Institute (TSTI).

Mary Alexander

Vice President, Regulatory Affairs

Mary has over 30 years experience in the healthcare industry, primarily in the inpatient rehabilitation, ambulatory surgery, practice management, acute care, and Hospice sectors. Ms. Alexander has held various positions including Director of Surgery, Director of Quality/Risk Management, Area Director of Hospice, Regional Director of Practice Management, Director of Clinical Operations and Development of surgical hospitals and most recently Director of Patient Care Services, and Interim CEO of a very successful inpatient rehabilitation hospital with well know organizations as HealthSouth, Vista Care, HCA, and Kelsey-Seybold Clinic, Clinic. Mary's expertise and interest is reflected in her successful leadership of facilities in the areas of regulatory compliance, accreditation, quality improvement, and operational outcomes.

Mary is a Registered Nurse and holds a Masters degree in Healthcare Management from the University of Texas at Dallas. She is a Certified Professional in Healthcare Quality (CPHQ), serves on the board of the North Texas Quality Association and is a member of the National Association for Healthcare Quality.

Patricia Weigel

Vice President, Financial Services

Patricia has 31 years of healthcare experience. Most recently, Patricia spent the last 5 years as Chief Financial Officer of a HealthSouth hospital overseeing the business office, admissions, IT, HIM, and financial operations. Under her financial leadership, the facility maintained one of the highest performing financial and business office operations in the company. Mrs. Weigel also spent 6 years with Richardson Regional Medical Center as a Practice Administrator for their urgent care center, physician practices, and Senior Health Care facility.

April Maldonado

Vice President, Human Resources

April has 11 years experience in the healthcare industry. April has held various positions in the Human Resources field with such well known organizations such as HealthSouth, Tenet, and Health Management Associates. Her areas of responsibility include human resource management services, organizational development, civil rights, employee and labor relations, compensation and benefits, workers compensation, training and career development, and employee programs.

Tracy Penny

Vice President, Marketing

As a Registered Nurse, Tracy has over 20 years of experience in the healthcare industry, working in critical care, organ and tissue transplant coordination, home health, inpatient & outpatient rehabilitation and hospital community development. She has been very successful in building new business through programs and business development. While developing and securing customer loyalty through strong relationships, Tracy has over 15 years of successful rehabilitation hospital development and marketing experience. Mrs. Penny has actively served on the executive boards of the American Lung Association, American Stroke Association, College Education Planning committee, Northeast Trauma Regional Advisory Council, RAC-F and various other affiliations for more than 15 years.

- [Partnership Opportunities](#)

Our mission is to work with the leading physicians in each community to build outstanding rehabilitation hospitals. Our physician partners work with us on site selection, determining the facility size and services offered and helping us to identify other physician partners. Our goal is to empower physicians to provide the best rehabilitative care to their patients.

As our hospitals become operational, our physician partners as well as other physicians practicing at the facility work together with Reliant to help select the hospital's management team, develop clinical care protocols and serve as Advisory Board members.

Our patient focused, physician-partnered approach allows Reliant to become the leading provider of rehabilitation care in the communities we serve. We believe that by working together, we can provide exceptional patient care and generate acceptable financial returns for our physician partners.

If you are interested in hearing more about Reliant Healthcare Partners' partnership opportunities, please call us at 972-308-8518 or email us at elytle@relianthcp.com.

Reliant Hospital Partners and Healthcare Leadership

We are a physician-partnered hospital company with a management team that has extensive experience in inpatient rehabilitation and healthcare operations. We are focused on developing and operating free-standing rehabilitation hospitals that offer excellent patient outcomes and outstanding patient satisfaction.

We achieve this goal by:

- Providing the highest level of medical care to **Patients**.
- Offering **Excellent Clinical Programs** designed to achieve the highest level of outcomes for our patients.
- Partnering with **Leading Physicians** and **Medical/Surgical Hospitals**.
- Working closely with **Payors** to achieve excellent clinical outcomes in a **Cost-effective Manner**.
- Attracting the most **Experienced** people in the industry.

Reliant Hospital Partners has assembled an outstanding team of healthcare professionals who are well-respected in their field and are responsible for making each Reliant Rehabilitation Hospital successful.

Partnership Opportunities

Reliant currently has over 200 physician partners. We welcome physician participation because years of experience have taught us that the highest level of patient outcomes and satisfaction can only be achieved when physicians and hospitals work together, as partners, to harness the appropriate resources and services in caring for patients with physical rehabilitative needs.

We respect and appreciate our physician partners and work with them to provide excellent care for patients.

For Patients

Our hospitals provide inpatient and outpatient rehabilitative care that assists you in regaining your functional independence following a major illness, trauma or surgery.

[Home](#) > [For Patients](#)

Our all-inclusive rehabilitation hospitals offer a complete spectrum of adult focused treatment programs in order to assist you in regaining your functional independence following a major illness, trauma or surgery.

Reliant understands the importance of both the emotional and physical aspects of recovery and is proud of the caring and supportive environment we offer during your stay with us. Our dedicated team, led by a medical director credentialed in Physical Medicine and Rehabilitation will provide an interdisciplinary treatment plan designed to specifically meet your needs.

Who is appropriate for Inpatient Rehabilitation Services?

You would be best suited for inpatient rehabilitation services if you require the following:

- Relatively intense rehabilitation services- 3 hours of therapy a day at least 5 days a week
- Require therapy from a multidisciplinary team consisting of at least 2 therapies (i.e., occupational, physical, speech therapy and/or prosthetics/orthotics).
- Twenty-four hour rehabilitation nursing that supports the rehabilitation goals and provides specialized nursing care.
- Close medical supervision by a physician with specialized training in rehabilitation.

The Rehabilitation Team

Our staff is carefully selected to ensure they possess the caring attitude that meets Reliant's customer service expectations. All employees complete customer service training to gain our patient's trust and loyalty.

- **Case Management-** A case manager will work with you and your family to make sure your discharge from our hospital is well coordinated and any continuing care needs you might have following discharge are met. In addition, they will keep you informed of the interdisciplinary team's treatment goals and any medical or equipment needs you might have.
- **Occupational Therapy-** Occupational Therapists will assist you with maximizing your independence with activities of daily living such as: dressing, bathing, grooming, eating and functional activities in the

CIVIL ACTION NO. 3:10-cv-00122-B

JUDGE JANE J BOYLE

Pursuant to Federal Rules of Civil Procedure 12(b)(6) and 56, Defendant Reliant Surgery Centers, Inc. (“RSC”) files this motion to dismiss for failure to state a claim upon which relief can be granted, or, in the alternative, moves for summary judgment. RSC’s Brief in Support of this motion to dismiss, or in the alternative, motion for summary judgment, is filed contemporaneously with this motion.

WHEREFORE, RSC respectfully requests that this Court grant its motion to dismiss Plaintiffs' Complaint, or in the alternative, grant its motion for summary judgment, and for such other and further relief, at law or in equity, to which RSC may be justly entitled.

Respectfully submitted this 28th day of June, 2010.

New Orleans, LA 70115

/s/ Paul S. Francis

Paul S. Francis

JUDGE JANE J BOYLE

JUDGE JANE J BOYLE

Defendant was incorporated in 2004. (Appendix, Declaration of Emmett E. Moore, p. 1, ¶ 2.) Defendant was formed as a holding company to pursue a business venture that did not involve rehabilitation facilities or services. (Id., ¶ 3.) The business venture never got off the ground, and Reliant Surgery Centers, Inc. ceased operations in 2006. (Id.)

Defendant did not adopt or use the name “Reliant Rehabilitation.” (Id., p. 2, ¶ 4.)

Defendant does not and has never operated under the name “Reliant Rehabilitation.” (Id., p. 2, ¶ 5.)

II. STANDARD OF REVIEW

To withstand a motion brought under Rule 12(b)(6), Plaintiffs must allege “more than an unadorned, the defendant-unlawfully-harmed-me accusation.” *Ashcroft v. Iqbal*, 129 S.Ct. 1937, 1949 (2009). A plaintiff must set forth “more than labels and conclusions, and a formulaic recitation of the elements of a cause of action” in order to defeat a motion to dismiss. *Bell Atlantic Co. v. Twombly*, 550 U.S. 544, 555, 127 S.Ct. 1955 (2007). A complaint must “contain sufficient factual matter, accepted as true, to state a claim to relief that is plausible on its face,” such that the substance of its claims go “across the line from conceivable to plausible.” See *Iqbal*, 129 S.Ct. at 1949; *Twombly*, 550 U.S. at 570.

Summary judgment is appropriate when the movant establishes that there is no genuine issue of material fact. FED. R. CIV. P. 56(c). The moving party has the initial burden of showing “an absence of evidence to support [plaintiff’s] case.” *Celotex Corp. v. Catrett*, 477 U.S. 317, 325 (1986); *Lynch Properties, Inc. v. Potomac Ins. Co.*, 140 F.3d 622, 625 (5th Cir. 1998). The burden then shifts to the plaintiff “to identify specific facts that show the existence of a genuine issue of material fact.” *Thomas v. Int’l Business Machines*, 48 F.3d 478, 484 (10th Cir. 1995). Plaintiffs must do far more than “simply show that there is some metaphysical doubt as to the material facts.” *Matsushita Elec. Indus. Co. v. Zenith Radio Corp.*, 475 U.S. 574, 586 (1986). Instead, Plaintiffs “must present sufficient evidence in specific, factual form for a jury to return a verdict” in their favor. *Bacchus Indus., Inc. v. Arvin Indus., Inc.*, 939 F.2d 887, 891 (10th Cir. 1991). Rule 56(c) does not require that discovery take place before a motion for summary

judgment may be granted. See *Walker v. U.S. Environmental Protection Agency*, 802 F.Supp. 1568, 1576 (S.D. Tex. 1992) (citing *Mills v. Damson Oil Corp.*, 931 F.2d 346, 350 (5th Cir. 1983)).

III. ARGUMENT

Defendant is not a real party in interest to this lawsuit. Defendant has no interest in the result of this lawsuit. Defendant has no interest in or control over the subject matter of the litigation. Defendant has no involvement with the facts alleged in the Complaint.

Plaintiffs allege that in 2006, Defendant adopted and commenced use of the name RELIANT REHABILITATION with the intention of competing unfairly with Plaintiffs. (Complaint, ¶ 9.) In fact, Defendant ceased operations in 2006. (Appendix, Declaration of Emmett E. Moore, p. 1, ¶ 3.) As stated above, Defendant has never adopted, used or operated under the name "Reliant Rehabilitation." (Appendix, Declaration of Emmett E. Moore, p. 2, ¶¶ 4-5.) Further, Defendant's business did not involve rehabilitation, and Defendant did not intend to compete with Plaintiffs, much less compete unfairly. (Appendix, Declaration of Emmett E. Moore, p. 1, ¶ 3.)

Plaintiffs allege that Defendant has used the name RELIANT REHABILITATION in its corporate name, in the name of multiple hospitals in Texas, and in advertising. (Complaint, ¶ 9.) The face of the Complaint shows that although Defendant's corporate name contains the word "reliant," it does not contain the word "rehabilitation." Again, Defendant ceased operations in 2006, and never did business involving rehabilitation services. (Appendix, Declaration of Emmett E. Moore, p. 1, ¶ 3.) Defendant has no involvement with any hospitals in Texas. It has no need for advertising. It is not an operating company.

WHEREFORE, based upon the foregoing facts and authorities, Defendant respectfully

requests that this Court grant its motion to dismiss the Complaint of Plaintiffs Reliant Management Group, LLC D.B.A. Reliant Rehabilitation and Reliant Pro Rehab, LLC D.B.A. Reliant Rehabilitation, or in the alternative, grant its motion for summary judgment, and for such other and further relief, at law or in equity, to which Defendant may be justly entitled.

Respectfully submitted this 28th day of June, 2010.
